Woven Strokes

Introducing Canvas – The Lustered Art Series by **Bhadohi Carpets** a striking collection of artistic, handmade rugs where craftsmanship meets free-form expression.

Each piece in the Canvas Collection is a one-of-a-kind creation, handwoven by master artisans in Bhadohi, India the heartland of carpet weaving. With fluid forms, abstract detailing, and a soft luster that catches the light, these rugs echo the spontaneity of brushstrokes on canvas.

More than floor coverings, these are **textile paintings** blending tradition with contemporary artistry. The use of rich textures, subtle sheen, and unstructured design brings a refined yet organic presence to modern interiors.

Let your space speak with **Canvas** where every thread tells a story, and every rug is a masterpiece.
