DYSANIA
The free style sofa for free life, DYSANIA .

DYSANIA

“Relaxing spending time with family, gathering with friends, individual relaxation. Firstfeelin Dysania was born to create various ”relaxation”.

Dysania is a coined word meaning the state of finding it hard to get out of bed, or “free chair”.There is a concept here because it is a dining room, a living room, and a bed.

They will soften your mind and body and invite you to freedom. By chaning the way of thinking about interiors to “freedom”, the way of living will become “freedom”. We propose a “free lifestyle” centered on “relaxation”.
