Masterpiece Handcrafted Rugs

Colosseum • Lavish • Nebula • Prisma • Shanghai • Tuscany

A close-up photograph of a hand using tweezers to weave a rug. The hand is positioned at the top left, and the tweezers are holding a small piece of yarn. The rug itself is made of a light-colored, textured material with various colored yarns (red, yellow, green, blue) woven into it. The background is a soft-focus view of the rug's surface.

Woven Strokes

Introducing Hand Knotted – The Masterpiece Series by Firstfeelin, a timeless collection of heirloom-quality rugs where ancient heritage meets refined contemporary aesthetics.

Each piece in the Hand Knotted Collection represents the zenith of rug craft, meticulously hand-tied knot by individual knot by master weavers in Bhadohi, India — the world-renowned heartland of carpet weaving. Taking months of patient dedication, these rugs embody peerless durability, intricate definition, and a rich depth that grows even more distinguished over generations.

More than floor coverings, these are authentic works of textile artistry. The subtle harmony of fine yarns, exquisite knot density, and natural luster brings an aura of quiet luxury, warmth, and timeless prestige to the most discerning living spaces.

Let your space resonate with Hand Knotted — where every knot tells a story, and every rug is an enduring masterpiece.
