Woven Strokes

Introducing Hand Tufted – The Artisan Series by Firstfeelin a striking collection of artistic, handmade rugs where craftsmanship meets free-form expression.

Each piece in the Hand Tufted Collection is a one-of-a-kind creation, handcrafted by master artisans in Bhadohi, India the heartland of carpet weaving. With rich textures, sculpted detailing, and a soft luster that catches the light, these rugs echo the warmth and tactile beauty of artisanal craftsmanship.

More than floor coverings, these are textile paintings blending tradition with contemporary artistry. The harmonious use of rich textures, subtle sheen, and unstructured design brings a refined yet organic presence to modern interiors.

Let your space speak with Hand Tufted where every thread tells a story, and every rug is a masterpiece.
